Working on your assignment

1. Work on your assignment
2. What is the most challenging component of the assignment ? Be as specific as possible.
 - The most challenging component of my assignment is the track counter when I need to spend more than 2 weeks to think about it and do it perfectly.
3. Discuss this answer, and your progress, with your lab demonstrator
4. Document your progress so far and plans

I have finished the circuit but maybe I will improve it later
